The inspiration  
behind the project

# Iago

The artisanal workmanship comes together with the innovation, whose prime objective is to heighten comfort levels. Linear and geometric shapes hide exclusive motion systems allowing you to customize everything to suit your own needs.

Comfortness is the Natuzzi philosophy that harmonizes mind, body, and soul, generating deep well-being for the individual.

## Design by Natuzzi Design Center

At Natuzzi's headquarters in Puglia, the Design Center's mission is to harmonize design and functionality, aiming to generate well-being and comfort.

# Harmony Design Proposals

Let yourself be inspired by the Total Looks selected by our Style Center. Personalize your project at Natuzzi Italia stores with the help of free interior design consultation.

## Moodboard blue

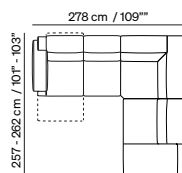

To ensure harmony in the projects, the Natuzzi Style Center carefully selects materials and coverings, creating a dialogue between them. In this case, Stromboli leather in Blue Jeans colour has been paired with Sanbabila fabric in Avion colour, along with Laguna fabric in Dark Grey. The harmonization of these coverings with woods and marbles will result in a moodboard that defines the final total look of the project. Each collection model offers multiple moodboards to adapt to various market geographies.
